UTILITY SERVICES.

DOCKET NO. WS-04235A-06-0303

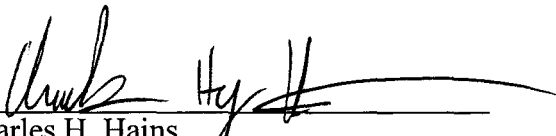

**STAFF NOTICE OF FILING
RECOMMENDED SCHEDULE
CHANGES**

On May 1, 2006, Utility Source, LLC ("Utility Source" or "Company") filed with the Arizona Corporation Commission ("Commission") an application for a determination of the current fair value of its utility plant and property and for increases in its rates and charges for water and wastewater utility service provided to customers in the Company's service area in Coconino County, Arizona.

Citing issues related to formulating surrebuttal testimony in light of the Company's rebuttal position, Commission Staff ("Staff") filed a motion requesting extension of the filing deadline for its surrebuttal testimony by two weeks to March 19, 2007. As a consequence of this time extension, various other deadlines would also be affected. Following discussion between Staff and counsel for the Company and discussion that was had at the telephonic scheduling conference on March 7, 2007, Staff recommends the following adjustment of the schedule to conform to the requested deadline extension. Mr. Starr Lanphere of the Ponderosa Fire District which has intervened in the matter has contacted Staff and been apprised of the changes recommended in this filing and had no objections.

Staff's and Interveners' Surrebuttal Testimony and Exhibits should now be due on or before March 19, 2007. The Company's Rejoinder Testimony and Exhibits should now be due on or before April 2, 2007. The pre-hearing conference should now be moved to April 13, 2007. The evidentiary hearing should now be scheduled for May 1, 2007 through May 2, 2007.

1 RESPECTFULLY SUBMITTED this 13th day of March, 2007.
